Resear	ch Assistant completing this for	m:
<u>Starti</u>	ng Each Lesson	
(1)	Facilitators provided their name	es and asked participants for their first names (no last name or title)
(2)	Facilitators stated overall purpo	se of the Honest, Open, Proud program
(3)	_ Facilitator reviews ground rule	s (posted in room)
<u>Settin</u>	g the Tone (page 5-6 <i>Page nı</i>	umbers refer to the Facilitator Manual)
(4)	Confidentiality- what is said in	the room, stays in the room
(5)	Stated that everyone's opinion	counts
(6)	Stated that we respect each other	er
(7)	Asked participants if there are a	any other ground rules (consensus should be sought if extra rules are
	proposed.)	
(8)	Pointed out definitions in Appe	endix
(9)	Inform group of mandated repo	orting status of facilitator
(10) _	_Discuss which adults can supp	oort them in-between sessions if distressed
Lesso	n 1: The Story I Tell Myself	(page 7)
(11)	_ Provided Lesson 1 general over	erview
, ,	_ Stated focus 1 - Understand entifying their own helpful ar	ding hurtful and helpful attitudes about mental health challenges ad hurtful attitudes (self-talk)
(13)_ others		rays to challenge hurtful self-talk as they think about talking with
Lesso	n 1, Part 1: Helpful and Hu	rtful Self-Talk (page 7)
(14)	_Stated learning objective 1 (Pa	articipants will look at how two people describe their mental health
challer	nges and path of recovery to disc	eover some important beliefs they hold about themselves.)
(15)	Stated learning objective 2 (Pa	rticipants will identify their personally helpful and hurtful self-talk.)

(16) Instructed participants to read the two stories about living with bipolar disorder (Maggie and Darryl)
Worksheet 1.1: Analyzing a Story for Hurtful and Helpful Self-Talk
(17) Asked participants to find a partner and follow instructions for Worksheet 1.1 page one (only) in
their workbook
(18) Led discussion on hurtful and helpful self-attitudes by asking for examples from what the pairs
wrote in the four boxes on Worksheet 1.1
(19) Highlighted important points from the manual version of the worksheet, if the youth did not mention
them
(20) Before asking youth to complete the rest of Worksheet 1.1, led them in the Hurting Myself with
Self-Stigma exercise
(21) Asked participants to complete page 2 of Worksheet 1.1 – Your Self-Talk Puzzle
(22) Introduced the concept of beliefs they hold about themselves using prompt questions on page 10
<u>Lesson 1, Part 2: Challenging Personally Hurtful Stigma</u> (page 13)
(23) Stated learning objective 1 (Participants will explore a five-step process to challenge personally hurtful stigma)
(24) Stated learning objective 2 (Participants will apply the five-step process to their personally hurtful
beliefs) (25) Explained the Five Steps for Challenging Personally Hurtful Stigma using Maggie's example
(26) Reviewed the Five Steps sing Darryl's example as written on Table 1A
Worksheet 1.2: Changing Our Attitudes Exercise
(27) Asked participants to complete Worksheet 1.2 using a hurtful belief from their Self-Talk Puzzle
(28) Offered that the group members could offer evidence against their assumption and/or they can
gather evidence after the session from the people they named on their worksheet
Closing Lesson One
(29) Summarized Lesson One and previewed Lesson Two
(30) Led participants in a grounding exercise
(31) Reminded participants of confidentiality ground rule
(32) Reminded participants of goal of HOP
(33) Reminded participants of adult they can contact in case they should feel distressed
To determine fidelity score for this Lesson: count up the number of checks made on the preceding pages and put the number in the blank space:
TOTAL FIDELITY FOR LESSON ONE / 33
Then divide this number by the total (33) and multiply by 100 to give a total percent of items correctly demonstrated by facilitators during this lesson.

Here is an example: Facilitation team got 29 checks out of the 33 total; 29 divided by 33 is $.879 \times 100 = 87.9\%$

Facilitation team showed 87.9% of total tasks for Lesson One

(12)____ Asked participants to read Worksheet 2.1 in pairs

LESSON	<u>2</u>

(3) Facili	tator reviewed ground rules (posted in room)
Lesson 2: D	visclosure Options (page 19)
(4) Provid	ded Lesson 2 general overview
(5) Stated	focus 1 - Weighing the costs and benefits of disclosing so that youth can decide whether or not
to dis	sclose.
(6) Stated	focus 2 - Five levels of disclosure and then guide youth through considering the costs and
benef	fits associated with each level.
(7) Stated	focus 3 - How the decision to disclose might look different in the different settings of their life.
We cla	arify the differences in disclosing face to face versus over social media.
Lesson 2, Pa	art 1: Considering the Pros and Cons of Disclosing (page 19)
(8) Stated	d learning objective 1 (There are both benefits and costs to disclosure.)
(9) Stated	d learning objective 2 (The youth are the only ones who can weigh them to decide whether it is
	n disclosing.)
(10) State	ed learning objective 3 (Costs and benefits differ depending on the setting; for example, in a
classi	room versus among their close circle of friends.)
(11) Led	participants in a brief icebreaker
Costs and B	enefits of Disclosing Mental Health Challenges Worksheet 2.1

(13)	_ Asked pairs to share some answers from their worksheet with the group and made a master list for
all	to see
(14)	Pointed out that the lists of benefits for disclosing and costs of not disclosing create a list of
	REASONS one might choose to disclose
(15)	_ Explained that each person may have different ideas about which of these are most important to
	them in guiding their decisions to disclose or not.
(16)	_ Explained difference between short-term and long-term costs and benefits (The impact of costs and
	benefits are sometimes relatively immediate; at other times, the impact is delayed.)
(17)	_ Discussed Darryl's completed worksheet (Table 2.A: Example for Darryl)
(18)	_ Reviewed Five Points to Remember on page 23-24
Works	sheet 2.2: My Costs and Benefits Worksheet for Disclosing Mental Health Challenges and
Recov	ery
(19)	_ Explained that the purpose of Worksheet 2.2 is to yield a decision about whether or not to disclose
	your mental health challenge in a specific setting. Choose a setting that you are considering some
	level of disclosure.
(20)	_ Explained strategies for listing costs and benefits and starring the most important ones.
(21)	_ Instructed participants how to fill in the box, "What is your goal in disclosing?" (Look at the
	reasons listed from Worksheet 2.1)
(22)	_ Instructed participants how to fill in the box, "What do you expect will happen after disclosing?"
	(Discussed that people have hopes about how the person will respond.)
(23)	_ Instructed participants to put a check-mark in the box indicating their decision after completing the
	other parts of the worksheet.) Explained how some people may need to postpone their decision
Lesson	n 2, Part 2: Levels and Settings for Disclosure (page 26)
(24)	Stated learning objective 1 (People disclose their experiences with mental health challenges and
	steps they take to live in recovery in different ways.)
(25) _	Stated learning objective 2 (Understand the costs and benefits of disclosing in the five different
	levels.)
(26) _	Stated learning objective 3 (The costs and benefits youth identify will likely vary by setting.)
(27)	Stated learning objective 4 (Discuss using social media to disclose to someone versus disclosing
` /	face to face.)
(28)	_ Explained Five Levels of Disclosure Table 2.C
	Facilitated activity on whiteboard or flipchart paper to apply levels to Maggie (page 27-29)
	nd Benefits of the Five Levels of Disclosure for Me Worksheet 2.3

(30) Instructed participants to complete Worksheet 2.3 for themselves and a group they are a
part of.
(31) Asked participants to discuss their Worksheet answers with another participant
Social Media Disclosure Worksheet 2.4
(32) Introduced Worksheet 2.4 with a discussion categories of social media and some costs and
benefits of disclosing for each category.
(33) Instructed participants to identify the media they use most on the worksheet
(34) Instructed group to split into pairs and work on the rest of the worksheet with a partner
Closing Lesson Two
(35) Summarized Lesson Two and previewed Lesson Three
(36) Led participants in a grounding exercise
(37) Reminded participants of confidentiality ground rule
(38) Reminded participants of goal of HOP
(39) Reminded participants of adult they can contact in case they should feel distressed
To determine fidelity score for this Lesson: count up the number of checks made on the preceding pages and put the number in the blank space: TOTAL FIDELITY FOR LESSON TWO / _39
Then divide this number by the total (39) and multiply by 100 to give a total percent of items correctly demonstrated by facilitators during this lesson.
TOTAL FIDELITY PERCENTAGE FOR LESSON TWO%
Here is an example: Facilitation team got 35 checks out of the 39 total; 35 divided by 39 is .897

Here is an example: Facilitation team got 35 checks out of the 39 total; 35 divided by 39 is $.897 \times 100 = 89.7\%$

Facilitation team showed 89.7% of total tasks for Lesson Two

LESSON 3

Lesson 3: Disclosure Decisions (p	age 34)
(4) Provided Lesson 3 general over	
-	
(5) Stated focus 1 - Review the lev	selecting a person to whom youth are considering disclosing and how
to tell if they will be safe to talk to.	selecting a person to whom youth are considering disclosing and now
(7) Stated focus 3 - How others m	ight respond to youth's displacure
	nation about situations where someone might ask youth to disclose and
•	
when youth may feel pressure to do so	•
Lesson 3, Part 1: Disclosure Decis	sions Practice Game (page 34)
(9) Gave 5-step instructions to the	participants for the Decisions Disclosure Game
(10) Facilitated each small group to	to share one example that they discussed, including what level(s) of
disclosure they found to be safe/appropriate the disclosure the disc	priate, why, and what would be needed in order to move to new levels
of disclosure.	
Lesson 3. Part 2. To Whom Migh	t Van Disclose? (page 42)
	earn how to identify a good person to whom youth might disclose.
(12) Stated learning objective 2 (U	Inderstand the procedure for "testing out" the person before
disclosing.)	
(13) Explained functional relation	ships for disclosure.
(14) Led brainstorm on characteris	stics of people who would be likely to be able to offer support and
understanding.	
(15) Wrote characteristics on flip	chart paper or whiteboard.

(16)	_ Facilitators role-played the Stoplight Assessment with cards or hand gestures
(17)	_ Suggested youth practice testing someone for disclosure in the next week.
	 <u>1 3. Part 3. How Might Others Respond to Your Disclosure?</u> (page 50) _ Stated learning objective 1 (Explore the different ways people may respond to your disclosure.)
(19)	_ Stated learning objective 2 (Consider how you might feel about the different responses.)
(20)	_ Walked through Table 3.A - reactions to disclosure.
(21)	_ Asked the youth to give two examples of what each response may sound like. Wrote the responses
on a fli	p chart or white board.
React	to Responses Activity
(22)	_ Walked through 4-step instructions for this activity.
(23)	_ Discussed ways to manage hurtful responses.
(24)	_ Pointed to pros for disclosure and cons for not disclosing from lesson 2 to help formulate responses.
(25)	_ Asked participants to reflect on ways their disclosure might affect the important people in their life
and hov	w the setting might impact that.
(26)	_ Asked youth to consider whose opinions they give the most weight to.
(27)	_ Reviewed the Protections Against Unwanted Disclosure from their Workbook.
Closin	g Lesson Three
(28)	_ Summarized Lesson Three and previewed Lesson Four suggesting they read pages 27-30 and draft
their st	ory using pages 31-33 in their workbook (had copies to handout if keeping the workbooks between
session	s).
(29)	_ Stressed that no one will be forced to share their story during Lesson Four.
(30)	_ Told participants that they can bring an inspirational picture related to their strengths to assist them
in tellir	ng their story.
(31)	_ Led participants in a grounding exercise
(32)	Reminded participants of confidentiality ground rule
(33)	_ Reminded participants of goal of HOP
(34)	Reminded participants of adult they can contact in case they should feel distressed
	termine fidelity score for this Lesson: count up the number of checks made on the preceding and put the number in the blank space: TOTAL FIDELITY FOR LESSON THREE /34
	livide this number by the total (34) and multiply by 100 to give a total percent of items aly demonstrated by facilitators during this lesson.

Here is an example: Facilitation team got 32 checks out of the 34 total; 32 divided by 34 is .941 \cdot .941 x \cdot 100 = 94.1%

Facilitation team showed 94.1% of total tasks for Lesson Three

Lesson 4: Telling Your Story (pa (4) Provided Lesson 4 general ove (5) Stated focus - How to tell you	
Lesson 4, Part 1 How to Tell You	<u>r Story</u>
(6) Stated learning objective 1 (Co	onsider different ways for youth to tell their story.)
(7) Stated learning objective 2 (Re	ead through an example of one person's story.)
(8) Stated learning objective 3 (D	iscuss what word each will use to talk about their mental health
challenge.)	
(9) Stated learning objective 4 (U	se the provided guide to construct their story.)
(10) Stated learning objective 5 (U	Understand the values and issues related to public speaking.)
(11) Facilitator reviewed different	t ways to tell your story.
(12) Reminded participants of two	o main keys: Consider your "whys" or the goals for your disclosure and
Use your counters to avoid sharing hu	rtful self-talk.
(13) Reminded group that there is	no requirement to share their story.
(14) Led participants to read or vi	ew Grenesha's story
(15) Facilitated discussion about 0	Grenesha's story using 4 questions on page 59.

(16) Led group to brainstorm and analyze words used to talk about mental health challenges. Encouraged
them to make personal choice of words they will use to talk about themselves.
A Guide to Setting Up a Story Worksheet 4.1
(17) Instructed participants to select a person and setting for completion of this worksheet.
(18) After completing worksheet, instructed participants to circle what is important to share and put line
through what they will not share.
(19) Instructed the participants on the 5 guidelines for participating in the story sharing. (page 62)
(20) Facilitated the participants through the story sharing.
Quality of Experience Worksheet 4.2
(21) Instructed group on use of the Quality of Experience Worksheet 4.2
Closing Lesson Four
(22) Summarized Lesson Four and previewed Lesson Five
(23) Led participants in a grounding exercise
(24) Reminded participants of confidentiality ground rule
(25) Reminded participants of goal of HOP
(26) Reminded participants of adult they can contact in case they should feel distressed
To determine fidelity score for this Lesson: count up the number of checks made on the preceding pages and put the number in the blank space:
TOTAL FIDELITY FOR LESSON FOUR/26
Then divide this number by the total (34) and multiply by 100 to give a total percent of items correctly demonstrated by facilitators during this lesson.
TOTAL FIDELITY PERCENTAGE FOR LESSON FOUR%
Here is an example: Facilitation team got 20 checks out of the 26 total; 20 divided by 26 is .769

Here is an example: Facilitation team got 20 checks out of the 26 total; 20 divided by 26 is $.769 \times 100 = 76.9\%$

Facilitation team showed 76.9% of total tasks for Lesson Four.
